WORK EXPERIENCE

Frontend Developer

📅 September 2021 - Present

- I am working as a React Js developer and have extensive experience with React Js and Redux.

CREW PVT LTD

📅 December 2022 - Present

Crew Media kit

- Crew Media Kit is a comprehensive creator monetization tools ecosystem, developed from scratch and designed for scalability to accommodate over 1,000 creators across multiple countries. Within this ecosystem:
- Creators can effortlessly update their profile details, workshops, and live performance information.
- They can also share profile links on social media, making it easy for followers to join these events and explore their profiles.

Crew Brand Collaboration

- Ideated and implemented a brand collaboration ecosystem benefiting both creators and brands. Key features include:
- Streamlining the process of finding relevant creators.
- Enabling communication between brands and creators, facilitating collaboration seamlessly.

AMEPOS PVT LTD

📅 September 2021 - December 2022

Amepos Admin Panel

- Amepos software solutions provide a seamless cycle of applications, from ordering a product to delivering it.
- The app enables restaurants to manage their outlet details, menu information, and billing settings.
- Additionally, it assists restaurant owners in tracking sales at each outlet, facilitating in-depth sales analysis.

AME Cashier and Qr Code

- Ame Cashier simplifies order placement via web browsers, streamlining the kitchen order process.
- Keep the record on all your orders ,expense and all other info happening in your business across different locations in real time.
- AMEPOS QR Code Mobile Website is specifically designed for the restaurant industry. Customers can easily scan the QR code, access the menu, make their selections, and place their orders directly from their devices.
- Orders will be sent directly to the cashier for processing and Customers can conveniently track the status of their orders in real-time.

Crsquare Finance Guardian

- Crsquare Finance Guardian serves as a bridge of financial transparency between founders and investors within the web3 community.
- CR Square Guardian offers a secure investment route for investors who can use their Metamask wallet to make investments and manage transfers.
- It empowers founders by enabling them to raise funds while maintaining financial transparency. Founders retain control over fund requests.
